

NATIONAL TELECOMMUNICATIONS COMMISSION

LIST OF PUBLIC TELECOMMUNICATIONS ENTITIES WITH NATIONWIDE COVERAGE

RA NO.	NAME OF FRANCHISEE	FRANCHISE COVERAGE (NW-Nationwide)	NATURE AND SCOPE OF FRANCHISE	DATE APPROVED	EXPIRY	PA/CPCN DOCKET NO. (for verification)
7082	PLDT, INC. Formerly Philippine Long Distance Telephone Company	NW	to carry on the business of providing basic and enhanced telecommunications services <b>in and between provinces, cities and municipalities in the Philippines</b> and between the Philippines and other countries and territories and, for this purpose to establish, operate, manage, lease, maintain and purchase telecommunications systems, including mobile, cellular and wired or wireless telecommunications systems, fiber optics, multichannel transmission distribution systems, satellite transmit and receive systems, and other telecommunications systems and their value-added services as but not limited to transmission of voice, data, facsimile, control signals, audio and video, information service bureau and all other telecommunications systems technologies as are at present available or be made available through technical advances or innovations in the future, or construct, acquire, lease and operate or manage transmitting and receiving stations and switching stations, both for local and international services, lines, cable or systems, as is or are, convenient or essential to efficiently carry out the purposes of this franchise	03-Aug-91	2028	CN 95-310 CN 95-310  CN 93-474 CN 93-056 CN 92-016 CN 90-181 CN 90-182 CN 90-183 CN 2007-110
7110 (5954)	EASYCALL COMMUNICATIONS PHILS., INC. formerly FRANCISCO N. CERVANTES, INC.	NW	to construct, install, establish and operate radio stations for domestic and international communications granted under Republic Act Numbered Fifty-nine hundred fifty-four to Francisco N. Cervantes, and all properties and rights acquired thereunder of Francisco N. Cervantes  may approve, radio stations for the reception and transmission of messages on radio stations in the foreign and domestic public fixed point-to-point and public base, aeronautical, and land mobile stations, including coastal marine service with the corresponding relay stations for the reception and transmission of wireless messages on radiotelegraphy and/or radiotelephony, radioteletype, radiophoto, facsimile, music, pictures, advertisement and such other types of emission from or to foreign countries and <b>within the Philippines</b> and with vessels at sea and aircrafts over the air, irrespective of whether such vessels and aircrafts are within or without the Philippines	04-Mar-99	2024	CN 2008-125
7229	GLOBE TELECOM INC. merger between Globe Mackay Cable and Radio Corp and Clavecilla Radio System	NW	to establish, construct, maintain and operate in the Philippines, at such places as the grantee may select, subject to the approval of the Secretary of Public Works and Communications, stations for international telecommunications, domestic telecommunications, xxx and for the transmission and reception of messages, impressions, pictures, and signals by means of electricity, electromagnetic waves or any kind of energy, force, variations or impulses whether conveyed by wires, radiated through space or transmitted through other media, and for the handling of any and all types of telecommunication services, and to lease and/or acquire facilities, channels and/or circuits	19-Mar-92	2030	CN 92-449 CN 93-072 CN 93-326/94-256 CN 96-410

RA NO.	NAME OF FRANCHISEE	FRANCHISE COVERAGE (NW-Nationwide)	NATURE AND SCOPE OF FRANCHISE	DATE APPROVED	EXPIRY	PA/CPCN DOCKET NO. (for verification)
7372	INNOVE COMMUNICATIONS INC. formerly Isla Communications Co. (ISLACOM)	NW	to carry on the business of providing to the public telecommunications services <b>within the territory of the Republic of the Philippines</b> and other countries and territories and, for the purpose of providing said telecommunications services, to construct, own and operate telecommunications system in and between provinces, cities and municipalities of the Republic of the Philippines and to lay, place and operate and maintain telecommunications lines in and between the territory of the Republic of the Philippines and other countries, including the construction, operation and maintenance of an international digital gateway facility, and to construct, maintain and operate and use all telecommunications apparatus necessary for the provision of telecommunications services and to install, construct and maintain telecommunications apparatus in, on, over, or under the public roads, government rights-of-way, lands bridges, rivers, waters, streets, lanes and sidewalks of said provinces, cities and municipalities, and to lay submarine telecommunications cables in the surrounding waters of the Philippines and for the purpose of connecting its telecommunications systems with other telecommunications systems operated by others within the Philippines and with the telecommunications systems of other countries, as may be necessary and best adapted to said provision of telecommunications services, and to connect and keep connected its telecommunications system to other telecommunications systems for the interconnection of telecommunications services within the territory of the Republic of the Philippines and between the Republic of the Philippines and other countries and territories	10-Apr-92	2017 (HB55566)	CN 2007-119 CN 2004-027 CN 94-175 CN 93-118 CN 93-246 CN 92-379 CN 93-042 CN 93-442 CN 94-033
7396	UNIVERSAL TELECOMMUNICATIONS SERVICE, INCORPORATED	NW	to establish, operate and maintain radio stations for international and domestic telecommunications	13-Apr-92	2017	CN 88-122 CN 98-014
7512	RADIO MARINE NETWORK, INCORPORATED formerly Jose Maria V. Orozco	NW	to establish, maintain and operate radio stations for telecommunications within and without the Philippines granted under Republic Act Numbered Forty-six hundred and seven to Segundo P. Lustre, Jr., and all properties and rights acquired thereunder by Segundo P. Lustre, Jr. may approve, radio stations for the reception and transmission of messages on radio stations in the domestic public fixed point-to-point and public base, aeronautical and land mobile stations, including coastal marine service with the corresponding relay stations for the reception and transmission of wireless messages on radiotelegraphy and/or radiotelephony, radioteletype, radiophoto, facsimile, and such other types of emissions or both with vessels at sea and aircraft in the air <b>within or without the Philippines</b>	21-May-92	2018	CN 88-129 CN 88-129 CN 99-193 CN 88-190 CN 2000-210 CN 2000-155
7633	BAYANTEL formerly International Communications Corporation	NW	to construct, maintain and operate stations for telecommunications systems including radio, telegraph, telephone, facsimile, data, voice, audio and video services, lines, circuits, satellites and/or stations, wire and/or wireless for international and domestic public communications, with authority to receive and transmit information, messages, impressions, pictures, music, entertainment and advertising signals, <b>throughout the Philippines</b> and foreign countries, including ships at sea, airplanes and other conveyances, by means of electricity, electromagnetic waves, optics or any other kind of energy, force, variations or impulses, radiated through space or transmitted through any other medium	20-Jul-92	2021	CN 92-213 CN 92-486 CN 93-284 CN 94-200 CN 96-195 CN 93-335 CN 90-032 CN 99-135 CN 90-232 CN 95-117 CN 94-410 CN 96-194 CN 99-017

RA NO.	NAME OF FRANCHISEE	FRANCHISE COVERAGE (NW-Nationwide)	NATURE AND SCOPE OF FRANCHISE	DATE APPROVED	EXPIRY	PA/CPCN DOCKET NO. (for verification)
7674	TELECOMMUNICATIONS TECHNOLOGIES PHILIPPINES, INCORPORATED	NW	to install, operate and maintain telecommunications systems throughout the Philippines including but not limited to the operations of local exchange service or public switched telephone network, public-calling stations, inter-exchange carrier or national toll transmission value-added or enhanced services intelligent networks, mobile or personal communications services, international gateway facility, and paging services; and for the purpose of providing said telecommunications systems in and between provinces, cities and municipalities of the Philippines, in on, over, or under lands and waters, as may be necessary and best adapted to the provision of telecommunications services, to contract other countries and territories, to use any technology whether digital or analogue, via cable, satellite, microwave, optical fiber, or any transmission medium, and with such telecommunication apparatus as may be necessary for the provision of such telecommunication services, and to connect and keep connected its telecommunications system to other telecommunications systems	17-Jan-94	2017	
7678	DIGITAL TELECOMMUNICATIONS PHILIPPINES., INCORPORATED (DIGITEL)	NW	to construct, maintain and operate telecommunications systems throughout the Philippines, and to provide by means of the said telecommunications systems a telephone service and other telecommunications services in the Philippines. The grantee is further authorized to carry on the business of providing basic and enhanced public telecommunications services in and between provinces, cities, and municipalities in the Philippines, and between the Philippines and other countries and territories, and for the purpose of providing said telecommunications services, to construct, own and operate telecommunications systems, in and between said provinces, cities or municipalities, to contract for telecommunications lines in and between the Republic of the Philippines and other countries, to construct, maintain and operate and use all telecommunications apparatus necessary for the provision of telecommunications services and install, construct and maintain telecommunications apparatus, in, on, over or under lands, and waters, as may be necessary and best adapted to the provision of telecommunications services, and to connect and keep connected its telecommunications services in the Philippines and between the Philippines and other countries and territories	17-Feb-94	2019	CN 92-328 CN 94-059 CN 96-081 CN 97-191 CN 2004-147  CN 2001-068 CN 99-121
7783	MAJOR TELECOMS, INC.	NW	to establish, install, maintain, lease and operate for commercial purposes and in the public interest wire and/or wireless telecommunications systems, lines, circuits and stations <b>throughout the Philippines</b> for public domestic and international record and/or voice telecommunications and their value-added services including but not limited to pay television and/program services, and to install corresponding transmitting and receiving stations at such places in the Philippines as it may consider necessary and convenient	26-Jul-94	2019	
7859	WORLDWIDE COMMUNICATIONS, INC.	NW	to install, operate, maintain, lease and manage wire and/or wireless public telecommunications systems <b>throughout the Philippines</b> and between the Philippines and other countries and for the purpose of providing said telecommunications services, to construct, own, operate and maintain telecommunications systems in and between provinces, cities and municipalities of the Philippines, in, on, over or under lands and waters as may be necessary and best adapted to the provision of telecommunications services, to contract for telecommunication lines and between the Philippines and other countries and territories, to use any technology whether digital or analog, via cable, satellite, microwave, optical fiber, or any transmission, medium, and with such telecommunication apparatus as may be necessary for the provision of such telecommunication services, and to connect and keep connected its telecommunications systems to other telecommunication system	21-Jan-95	2020	CN 95-053 CN 97-116

RA NO.	NAME OF FRANCHISEE	FRANCHISE COVERAGE (NW-Nationwide)	NATURE AND SCOPE OF FRANCHISE	DATE APPROVED	EXPIRY	PA/CPCN DOCKET NO. (for verification)
7939	ISLAND COUNTRY TELECOMMUNICATIONS, INC.	NW	to establish, operate, manage, lease, maintain and purchase telecommunications systems, including mobile, cellular, and <b>wired or wireless telecommunication systems</b> and their value-added services such as, but not limited to, transmission of voice, data, facsimile, control signs, audio and video, information service bureau, and all other telecommunications systems technologies as are at present available or to be made available through technical advances or innovations in the future, or construct, acquire, lease, and operate or manage transmitting and receiving stations and switching stations, lines, cables, or systems, as is, or are, convenient or essential to efficiently carry out the purpose of this franchise	01-Mar-95	2020	
7949	PHIL. COMMUNICATIONS SATELLITE CORP. (PHILCOMSAT)	NW	to establish, construct, maintain, operate, own, manage, lease and purchase, in the Philippines, at such places as the grantee may select, station or stations, telecommunications systems, lines, cable or systems and associated equipment and facilities for international and domestic communications, including but not limited to satellite transmissions, for any and all forms or types of telecommunications services with authority to receive and transmit messages, facsimile, impressions, pictures, music, data, and voice, without however engaging in broadcasting, telecasting and cable television services, <b>throughout the Philippines</b> and between the Philippines and other countries and territories, ships at sea, aircrafts and other conveyances, stations, and telecommunications systems of other countries	09-Mar-95	6/21/2019	CN 87-94 CN 96-356 CN 95-298 CN 97-025 CN 90-072 CN 95-299 CN 93-100 CN 95-297 CN 97-143
7961	CRUZ TELEPHONE CO., INC. (CRUZTELCO)	NW	to establish, operate, manage, lease, maintain and purchase telecommunications systems, including mobile, cellular and <b>wired or wireless telecommunications systems</b> , fiber optics, satellite transmit and receive systems, and other telecommunications systems and their value-added services such as, but not limited to, transmission of voice, data, facsimile, control signals, audio and video, information service bureau, and all other telecommunications systems technologies as are at present available or will be made available through technical advances or innovations in the future, or construct, acquire, lease and operate or manage transmitting and receiving stations and switching stations, for local services, lines, cables or systems, as is, or are, convenient or essential to efficiently carry out the purpose of this franchise	3/29/1995	2020	CN 97-165 CN 2008-097
8004	MILLENNIA TELECOMMUNICATIONS CORPORATION	NW	to construct, operate and maintain all types of mobile telecommunications including cellular, personal communications network, paging and trunk radio services (such as but not limited to the transmission and reception of voice, data facsimile, audio and video, and all other improvements and innovations pertaining to or as may be applicable to mobile telecommunications technology), as well as multi-channel microwave, fiber optic and satellite distribution systems that may be required for purposes of linking together said mobile telecommunications network internally and externally to other mobile telecommunications network and traditional wireline telephone systems whether domestic or international, whether directly or indirectly through networks, and generally, to provide, by means of this telecommunications systems, a telephone service and such other telecommunications services such as there may be in demand for <b>in the Philippines</b>	04/27/1995	2020	CN 2000-097

RA NO.	NAME OF FRANCHISEE	FRANCHISE COVERAGE (NW-Nationwide)	NATURE AND SCOPE OF FRANCHISE	DATE APPROVED	EXPIRY	PA/CPCN DOCKET NO. (for verification)
8065	ISLA CELLULAR COMMUNICATIONS, INC.	NW	to construct, establish, install, maintain and operate for commercial purposes and in the public interest, mobile and fixed wireless telecommunications system such as cellular telephone system, personal communications network, radio trunking services and other means related to the foregoing now known to science or which in the future may be developed, throughout the Philippines, for public domestic and international telecommunications and to install corresponding transmitting and receiving stations at such places in the Philippines as it may consider necessary and convenient	19-Jun-95	2020	
8101	EDISON C. ESPINOSA	NW	to establish, install, operate and maintain for commercial purposes and in the public interest, public radiotelephone coastal stations in Region VI to be based in Iloilo City and Bacolod City for the transmission and reception of radiotelephone communications with vessels at sea within and outside of the Philippines	07-Jul-95	2020	
8117	SEALAND TELECOMMUNICATIONS CO. INC.	NW	constructing, installing, establishing and operating in the Philippines, for the reception and transmission of messages on radio stations in international and domestic public, fixed point-to-point and public based, coastal marine services with the corresponding relay stations for the reception and transmission of wireless messages on radiotelegraphy and/or radiotelephony, radio teletype, within the Philippines, and with vessels at sea within the Philippines	09-Jul-95	2020	CN 96-203 CN 97-006
8165	AZ COMMUNICATIONS NETWORK, INC.	NW	to construct, establish, install, operate and maintain, for commercial purposes and in the public interest, radiotelegraph and/or radiotelephone communication stations, with corresponding relay stations in the inter-island, maritime, aeronautical and international public services, both national and/or international, to provide radio communication services and equipment to private firms, companies and corporations within their respective internal frame, and/or to communicate from within the grantee's station or stations	23-Sep-95	2020	CN 99-275
8196	G. TELECOMS, INC. formerly ERMITA ELECTRONICS COMMUNICATION SYSTEM, INC.	NW	to construct, establish, install, maintain, and operate for commercial purposes and in the public interest, radio stations for the reception and transmission of messages in the foreign and domestic public fixed point-to-point, public base, aeronautical, and land mobile and including coastal marine service with the corresponding relay stations for the reception and transmission of wireless messages on radiotelegraph and/or radiotelephone, radioteletype, radiophoto, facsimile, advertisements, and such other types of emission from or to foreign countries and <b>within the Philippines</b> and with vessels at sea and aircrafts over the air, irrespective of whether such vessels and aircrafts are within or without the Philippines	07-Jul-96	2021	CN 98-145
8198	UNICORN COMMUNICATIONS CORPORATION	NW	to construct, establish, install, operate and maintain for commercial purposes and in the public interest, mobile and fixed wireless telecommunications system, such as cellular telephone system, personal communications network, radio trunking services and other means related to the foregoing now known to science or which in the future may be developed, <b>throughout the Philippines</b> , for public domestic and international telecommunications and to install corresponding transmitting and receiving stations at such places in the Philippines as it may consider necessary and convenient	11-Jul-96	2021	

RA NO.	NAME OF FRANCHISEE	FRANCHISE COVERAGE (NW-Nationwide)	NATURE AND SCOPE OF FRANCHISE	DATE APPROVED	EXPIRY	PA/CPCN DOCKET NO. (for verification)
8199	PINOY TELEKOMS INC. formerly Taxinet, Inc.	NW	to construct install, establish, maintain and operate for commercial purposes and in the public interest, a taxi communication monitoring system and use all the apparatus, conduits, appliances, receivers, transmitters, antennas, satellites and equipment necessary for the reception and transmission of telecommunications, conversations, messages, and signals with the corresponding technological auxiliaries, facilities, distribution or relay stations, <b>throughout the Philippines</b>	11-Jul-96	2021	CN 96-414
8279	MESSAGE SYSTEMS, INC.	NW	to construct, establish, install, maintain and operate for commercial purposes and in the public interest, mobile station or stations, telecommunications system, lines, cable, or systems and associated equipment and facilities for international and domestic communications, including but not limited to satellite transmission, for any and all forms or types of telecommunication services, with authority to receive and transmit messages, facsimile, impressions, pictures, music, data and voice, <b>throughout the Philippines</b> and between the Philippines and other countries and territories, ships at sea, aircrafts and conveyances, stations and telecommunications systems of other countries, including the rights and privileges of cable and fixed wireless telecommunications system such as paging system, cellular telephone system, personal communications network, trunked radio services, fiber optics, multi-channel distributions systems, service bureau and other telecommunication systems/services or technologies and other means related to the foregoing now known to science or which in the future may be developed through technological/technical advances or innovations in the future for public domestic and international telecommunications and purchase any or all of the equipment and materials needed in its operations; and to install, establish, construct, maintain and operate transmitting and receiving stations, switching stations, gateway facilities for local and international services, lines, cables or systems as it may consider necessary and convenient	10-Apr-97	2022	
8280	NEW CENTURY TELECOMS, INC.	NW	to construct, establish, install, maintain and operate for commercial purposes and in the public interest, mobile and fixed wireless telecommunications system such as paging system, cellular telephone system, personal communications network, trunked radio services and other means related to the foregoing now known to science or which in the future may be developed <b>in the Philippines for public domestic</b> and international telecommunications	4/10/1997	2022	CN 2009-146
8281	PACIFIC WIRELESS, INC.	NW	to construct, install, establish, maintain, and operate for commercial purposes and in the public interest, <b>throughout the Philippines</b> and between the Philippines and other countries and territories, telecommunications systems including mobile, cellular, wired or wireless telecommunications systems, and their value-added services such as, but not limited to, transmission of voice, data, facsimile, control signs, audio and video, information and service bureau, and all other telecommunications systems technologies as are at present available or will be made available through technological advances or innovations in the future, and construct, acquire, lease and operate or manage transmitting and receiving stations, lines, cables or systems, as is, or are, convenient or essential to efficiently carry out the purpose of this franchise	14-Apr-97	2022	CN 99-009 CN 99-107

RA NO.	NAME OF FRANCHISEE	FRANCHISE COVERAGE (NW-Nationwide)	NATURE AND SCOPE OF FRANCHISE	DATE APPROVED	EXPIRY	PA/CPCN DOCKET NO. (for verification)
8332	ABS-CBN CONVERGENCE, INC. formerly MULTI-MEDIA TELEPHONY, INC. ORPORATED	NW	to construct, establish, install, maintain and operate for commercial purposes and in the public interest, the business of providing telecommunication services <b>throughout the Philippines</b> and between the Philippines and other countries and territories, including mobile, cellular, wired or wireless telecommunications systems and their value-added services such as, but not limited to, transmission of voice, data, facsimile, control signs, audio and video, information and service bureau, and all other telecommunications systems technologies as are at present available or will be made available through technological advances or innovations in the future, and construct, acquire, lease and operate or manage transmitting and receiving stations, lines, cables or systems, as is, or are, convenient or essential to efficiently carry out the purpose of this franchise	6/30/1997	2020	CN 98-212 CN 93-284 CN 94-200 CN 98-146 CN 99-206 CN 98-103 CN 97-245
8337	SMART BROADBAND INC. formerly Meridian Telekoms, Inc.	NW	to construct, establish, install, maintain and operate for commercial purposes and in the public interest, the business of providing telecommunications services throughout the Philippines and between the Philippines and other countries and territories, including mobile, cellular, wired or wireless telecommunications systems and their value-added services such as, but not limited to, transmission of voice, data, facsimile, control signs, audio and video, information and service bureau, and all other telecommunications systems technologies as are at present available or will be made available through technological advances or innovations in the future, and construct, acquire, lease and operate or manage transmitting and receiving stations, lines, cables or systems, as is, or are, convenient or essential to efficiently carry out the purpose of this franchise	14-Jul-97	2022	CN 99-217 CN 2000-124 CN 2000-150 CN 2013-202
8346	KLOCHE COMMUNICATIONS, INC.	NW	to construct, establish, install, maintain and operate for commercial purposes and in the public interest, the business of radio paging and records messaging systems, including data transmission, and all other means related to the foregoing, now known to science or which in the future may be developed and used exclusively for the foregoing purpose all the apparatus, conduits, appliances, receivers, transmitters, antennas, satellites and equipment necessary for the transmission of messages and signals, with the corresponding technological auxiliaries, facilities, distribution or relay stations, throughout the Philippines or territories as public interest may warrant	8/29/1997	2022	CN 2000-119
8510	BROADBAND EVERYWHERE CORP. formerly TEXTRON CORPORATION	NW	to construct, establish, install, maintain and operate for commercial purposes and in the public interest, wired, mobile and fixed wireless telecommunications system such as paging system, cellular phone system, personal communications network, trunked radio services related to the foregoing, now known to science or which in the future may be developed through technical innovations and advances, <b>throughout the Philippines</b> , for public domestic and international telecommunications.	13-Feb-98	2023	CN 99-103
8622	HI-FREQUENCY TELECOMMUNICATIONS, INC.	NW	to construct, establish, install, maintain and operate for commercial purposes and in the public interest, the business of providing telecommunications services throughout the Philippines and between the Philippines and other countries and territories, including mobile, cellular, wired or wireless telecommunications systems and their value-added services such as, but not limited to, transmission of voice, data, facsimile, control signs, audio and video, information and service bureau, and all other telecommunications systems technologies as are at present available or will be made available through technological advances or innovations in the future, and construct, acquire, lease and operate or manage transmitting and receiving stations, lines, cables or systems, as is, or are, convenient or essential to efficiently carry out the purpose of this franchise	4/8/1998	2023	CN 2009-145

RA NO.	NAME OF FRANCHISEE	FRANCHISE COVERAGE (NW-Nationwide)	NATURE AND SCOPE OF FRANCHISE	DATE APPROVED	EXPIRY	PA/CPCN DOCKET NO. (for verification)
8627	MINDANAO ISLAMIC TELEPHONE COMPANY, INC.	NW	to construct, establish, install, maintain and operate for commercial purposes and in the public interest, wired, mobile and fixed wireless telecommunications system such as paging system, cellular phone system, personal communications network, trunked radio services related to the foregoing, now known to science or which in the future may be developed through technical innovations and advances, throughout the Philippines, for public domestic and international telecommunications	19-Apr-98	2023	
8657	TRANSPACIFIC BROADCAST GROUP INTERNATIONAL, INC.	NW	to construct, establish, install, maintain and operate for commercial purposes and in the public interest, communications systems for the reception and/or transmission of messages, such as but not limited to voice, audio, data, facsimile, video and such other intelligence by radio, wire, satellite and other means now known to science or which in the future may be developed, and in connection therewith, render communications services between any point within the territorial boundaries of the Philippines, including but not limited to, the service of up-linking the abovementioned messages from any point <b>within the Philippines</b> to a communications satellite in orbit in outer space, and the service of down-linking such messages from twelve (12) such satellites and transmission of such messages to any point within the Philippines	22-Jun-98	2023	CN 98-131 CN 2002-064
8677	RADIO COMMUNICATIONS OF THE PHILIPPINES, INC.	NW	to construct, establish, install, maintain and operate for commercial purposes and in the public interest, fixed mobile, cellular and wired and/or wireless telecommunications system, fiber optics, multichannel transmission distribution systems, satellite transmit and receive systems, and other telecommunications systems, such as paging system, cellular phone system, personal communication network, trunked radio services and other means related to the foregoing now known to science or which in the future may be developed through technical innovations and advances, throughout the Philippines and between the Philippines and other countries and territories, for public domestic and international telecommunications	25-Jun-98	2023	CN 94-091 CN 94-091
8678	SEAR TELECOMMUNICATIONS, INC.	NW	to construct, establish, install, maintain and operate for commercial purposes and in the public interest, wired, mobile and fixed wireless telecommunications system such as paging system, cellular phone system, personal communications network, trunked radio services and other means related to the foregoing, now known to science or which in the future may be developed through technical innovations and advances, <b>throughout the Philippines</b> , for public domestic and international telecommunications	25-Jun-98	2023	CN 2000-164
